Attention: Donovan Deschner

Dear Donovan:

Thank you for taking part in our "Comedy Night" held at Alberta Theatre Project's Martha Cohen Theatre on July 9th 2009.

Your mix of comedy and magical talents was a great ice breaker to the evening and I know our employees, guests and I were truly amazed by some of the magic tricks that you performed.

On behalf of myself and the employees of Quicksilver Resources Canada Inc., thank you for making our "Comedy Night" one of the most successful and entertaining Stampede functions our company has had.

Yours truly,

Quicksilver Resources Canada Inc.
